

Science

During the Autumn term, we will be learning about Properties, Changes of Materials and Electricity.

Maths

This term we will be developing our skills in:

- Place Value
- Addition and Subtraction
- Multiplication and Division
- Fractions

MFL

This term, we will be learning about days and months, birthdays and classroom objects during our French lessons.

Music

This term we will be developing our performance techniques. We will look at creating texture and rhythm, practice singing scales and melodies and will play a range of instruments.

History

This term we will be looking closely at the changes in Britain during the Anglo-Saxons, Scots, and Viking period. We will be focussing on:

- Britain's settlement by Anglo-Saxons and Scots
- Viking and Anglo-Saxon struggle for the Kingdom of England to the time of Edward the Confessor.

Dragons Class - Autumn Term 2025

The Saxons, Scots, and Vikings

PE

At the beginning of this term, our specialist coach, Mr Kerrigan, will be developing our understanding of multi-skills which we will then incorporate into invasion games later in the term. The children will also take part in weekly swimming lessons.

PSHE

This term, we will be learning about:

- Me and my relationships
- Valuing differences

RE

This term, we will be learning about Islam and what Allah means to Muslims.

Art & DT

This term we will be learning about still life drawing and painting in Art and will be creating the structure of a new playground in D.T.

English

During the Autumn Term, we will be using a range of texts and prompts to develop our own writing. This will include thinking about the audience and purpose of the text. We will be selecting the appropriate grammar and vocabulary and learning how such choices can change and enhance meaning.

Computing

We will be learning about Data and Information, including:

- Flat-file databases
- Spreadsheets
