Monday 26<sup>th</sup> February 2024

Dear Parents and Carers,

On behalf of the Trust and Local Governing Body, I am delighted and very proud to be able to share the results of our recent Ofsted Inspections carried out on 24<sup>th</sup> and 25<sup>th</sup> January 2024.

Both Schools received "Good" judgements in all areas:

- The quality of education
- Behaviour and attitudes
- Personal Development
- Leadership and management
- Early years provision

There is so much to celebrate within these reports. The children received praise for behaving well and were recognised for following the schools' values of honesty, respect and trust. They were commended for being polite and sociable with a mature and reflective approach to their learning.

It was acknowledged that the school environment was happy, welcoming and friendly and that there are high expectations for all. Pupils follow an ambitious, broad and balanced curriculum which supports wider development and prepares our children for the future.

The reports identified that children progress well through the reading, writing and mathematics curriculums. The next part of our journey is to ensure that we continue to build on prior learning through the teaching of key knowledge to deepen understanding.

I would like to take the opportunity to thank you all for your continuing support. The Ofsted inspectors also noted your contribution to the "wonderful" community feeling and your overwhelming positivity for all that we do.

The full Ofsted reports are attached and also available to view on our School Website, the link for these is: <https://www.middlezoyandotheryschools.co.uk/ofsted-and-performance-data>

I look forward to seeing you at Parents Meetings on Wednesday 13<sup>th</sup> and Thursday 14<sup>th</sup> March.

Kind regards,

Mrs Lindsay Hayward
